

## Hello! Welcome to Open the Book and Bible storytelling in Primary schools.

**Open the Book** is a project which offers primary school children an opportunity to hear the major stories of the Bible, from a team of Christians from local churches, who present the stories during assemblies/acts of Collective Worship. Each presentation takes around 10-15 minutes and can be incorporated into a wider school assembly, or can stand alone. It is a three-year rolling programme with an additional, but optional year of material based on Christian Values.

Its great fun and involves engaging with children and young people to help them hear the stories in a fun way but also to make an informed choice

We are running a Training event where you can hear/see and be involved in what we are hoping to do with all our schools.

There is no age limit in being involved-it brings out the inner child and I am sure we all love storytelling

The event is being held at Bishop Burton Village Hall 3rd November  
9.30-12 no costs donations only

If nothi8ng else come along and see your Rector make a fool of himself
