

15th August 2018: St Michael's Church Tower Repair

Work has now begun to repair the Tower Roof, Nave North Roof and Associated works.

Grants have been received from, the Heritage Lottery Fund, Garfield Western Foundation, Allchurches Trust Ltd, Yorkshire Historic Churches, the Diocese of York and Skidby Parish Council.

Many donations have been received from local residents, members of St Michael's congregation and beyond, as well as 2 years of fundraising to enable us to reach this point.

The PCC would like to formally record their thanks to everyone who has helped towards this stage in the completion of this very costly renovation work. With the generosity of all the above this Grade 11* Listed Church will continue to be open and safe for future generations.

THANK YOU.
